Проф.
Марио Зиблер

Prof.
Mario Siebler, MD

Insitution:	Department of Neurology/ Neurorehabilitation
1977 – 1983	Study of Medicine, University Homburg Saar
1979 – 1981	Study of Informatics University Saarbrücken
1984	Medical Thesis in Neurophysiology
1983 – 1985	Postdoctoral Fellowship in Neurophysiology
1985 – 1986	Intern in Neurology, Neurology Department of the University Homburg
1987 – 1988	Fellowship of the Deutsche Forschungsgemeinschaft for Neurophysiology Department of Neuroscience, Heinrich-Heine University Düsseldorf
1988 – 1994	Intern in Neurology at the Neurology Department of the Heinrich-Heine University Düsseldorf
1992	Intern in Psychiatry
1994	Assistant Professor in Neurology University of Düsseldorf
1995	Consultant in Neurology
1997 – 2008	Organization and Leading of the Stroke Unit University Düsseldorf
1999 – 2008	Specialization in Intensive Care Medicine for Neurology and Stroke
1988 – 2008	Head of the experimental Neurophysiology Lab
2008 –	Head of the Neurology and Neurorehabilitationcenter Essen/ Kettwig

Awards-Specialisation

1985	Claude-Bernard-Award of the University Saarland
1992	Award of excellence for cerebral hemodynamics/San Diego/ Calif. USA
1993	Edens-Award of the Heinrich-Heine-University
1994	Award of Innovation from Nordrhein-Westfalen
2007	Scientific Award for Neurochiptechnology ANIM
2008	Scientific Award for Orbitaultrasound ANIM
Since 2002	President of the Stroke Organisation Düsseldorf
Since 2008	Member of the ESNCH Board

Specialization:

Ultrasound
Clinical Stroke Trials and Neurosonology
Neurorehabilitation
Experimental Neurophysiology
